## ABOUT ME

A "Full Stack Developer" with 2+ years of experience in developing software and web application.

I get intrigued by technology, fabulous food and mindful conversations.

Seeking to be inspired, to envision the unlikely, to work hard for the things which are worth it, and to be surrounded by those who brings out best in me.

## EDUCATION

### (2012 - 2016) BE IN COMPUTING ENGINEERING (HONS)

Asia Pacific Institute of Information Technology, SD INDIA, Panipat  
Staffordshire University, UK • [Scored - 65%]

### (2010 - 2012) INTERMEDIATE (HIGHER SECONDARY)

Indian School of Learning, Jharia, Dhanbad, Jharkhand, India  
C.B.S.E. • [Scored - 60%]

### ( 2010 ) MATRICULATION

C.B.S.E. • [Scored - 83%]

## EXPERIENCE

### SOFTWARE ENGINEER

LangÉcole Edu. Pvt. Ltd. | Defence Colony, New Delhi | 2016 - Present

I was appointed here to manage and develop sister sites of [langecole.com](#), which are [langjobs.com](#), [liveecole.com](#), [langschool.in](#) and several other web applications.

Worked on many web related technologies and delivered more than 5 projects till now.

Worked under mentorship of a senior developer and learned alot.

Lead a team of 2-3 interns and various graphic designers

Experienced the joy of working in a team and owning the projects solo, i.e. building everything from scratch, on by my own.

## SKILLS

Php, CodeIgniter, HTML, CSS, Bootstrap, JavaScript, jQuery, RDBMS(MySql, Microsoft Sql Server etc), SDLC, Usability, Git, Bower, Python, Web Scraping, MEAN Stack (Angular / React are under progress), MongoDB, Basic AWS (EC2, Route 53 etc.)

**OPERATING SYSTEMS :** LINUX, WINDOWS, MAC

**TOOLS :** Code Editor (Eg: Visual Studio Code, Brackets), Ms-Office, Photo-shop, Chrome/Firefox Developer Console etc.
